

CHOOSE ADVENTURE

Established in 1962, the U.S. Naval Sea Cadet Corps is a youth leadership development program supported by the Department of the Navy and the Navy League of the United States. We help middle/high school students gain a competitive edge to stand out and excel beyond their peers when applying to college, military academies, scholarships, and job opportunities. We teach today's youth about leadership, community service, military careers, citizenship, and teamwork. We mentor and prepare our Cadets for whatever their future may be.
