## Volunteer Opportunities

- Ms. Veloni is looking for a parent with coffee shop experience to help supervise the morning shift at Key Cafe on Wednesday mornings. If you are available, please email her!  
tveloni@osd.wednet.edu
- Student ID & Keycard help wanted. If you are available on any of the dates listed above, please email Inger to let her know. We'd love help checking the signed Code of Conduct and getting things handed out during lunch.
- PTA Movie Nights! There are 2 coming up before the end of October and a PTA meeting this week! Attend the meeting and see how you can help out during one or both of the movie nights! hConnect families can include all these hours in their Parent Partnership hours and *everyone* can log them in our volunteer system!

## ORLA Students, Staff, & Parents Showing AWARENESS & LEADERSHIP!

- MAST student Tayler E. showed **leadership** and **awareness** when he held doors open for students and families arriving at school and greeted them with kindness! Thank you for being a wonderful leader and being aware of ways to help spread happy thoughts around our community, Tayler! That's the **WAY!!!**
- Heather and Lincoln showed **awareness** when they saw Mrs. Havens overloaded with bags! They jumped in and helped relieve her load and get her settled into her classroom. Thank you for being aware of ways you can lend a hand! That's the **WAY!!!**
- Landyn in Ms. Stephanie's class, showed **awareness**, **ownership**, and **leadership** when he helped put down the benches in the Commons first thing in the morning. Thank you, Landyn! That's the **WAY!!!**
- Delaney and Chapman are demonstrating each of the **4 characteristics of the ORLA Way** as they work with students in Mrs. Haven's K-1 Experience class as T.A.'s. Thank you for your kind, nurturing, caring, and supportive contributions each week!
- Students in Swing Dance showed incredible **leadership** and **awareness** last week! Amore wrote out the swing routine steps for students without being asked. In addition, River, Scott, & Isabel led warm-

ups for class. What an amazing group of students we have in our Swing Dance classes! That's the **WAY!!!**

- Thank you to all the students & parents for helping manage the repeated hitting of the wheelchair button on the front doors! We have heard lots of parents and students remind one another to only press it once in order to save the door motor. Thank you for showing **awareness** and **leadership!!!**
